Healing Beyond Borders is the professional,
non-profit education, credentialing and membership
organization for Healing Touch, Established in 1996.

Healing Touch Is...

A relaxing, nurturing energy therapy

- Uses gentle, heart-centered touch to assist in balancing your physical, emotional, mental and spiritual well-being.
- Enhances the body's natural ability to heal through the human energy centers and energy field/biofield.
- Works in harmony with standard medical care and is complementary to other health care systems. Safe for all ages.

Is Healing Touch for You?

Intended Audience Includes:

- Registered nurses
- Health care professionals
- Body-oriented therapists
- Psychotherapists
- Licensed health care professionals and individuals

Those who desire to study energy therapy with a commitment to help others

Course Description #1

The theoretical concepts which underlie holistic healthcare practices are explored along with how they relate to the core values which guide the practice of Healing Touch. Healing Touch techniques used in the etheric field are acquired along with an understanding of how they interface with the human biofield.

Course Objectives #1:

The learner will be able to:

1. Explore qualities and self-care needs of a Healing Touch Practitioner.
2. Discuss the facets of Healing Touch and correlate techniques that support physical, mental, emotional, and/or spiritual healing.
3. Demonstrate Healing Presence: the ability to remain grounded, present, and heart-centered.
4. Describe personal perceptions of subtle energy/heart-centeredness.
5. Apply the Healing Touch Framework to a variety of energy interventions.

6. Evaluate the seven energy centers (chakras) and related energy layers that surround the body.
7. Describe rationale with use of specific Healing Touch techniques.

Discuss the Healing Beyond Borders Code of Ethics, Standards of Practice and Scope of Practice required of a beginning Healing Touch student.

Course Description # 2

Prerequisite: Completion of the previous course

- *Foundations of Healing Touch*

The skill of completing an intake interview that identifies patterns of behaviors for which Healing Touch techniques may be useful in assisting a patient to re-pattern their energy field is acquired. Healing Touch techniques learned in the Foundation course are integrated into applications that assist in re-patterning spinal health. The appreciation of Healing Touch progresses to a deeper level with the acquisition of a technique to assist the patient in expanding their heart energy.

Course Objectives #2:

The learner will be able to:

1. Demonstrate the ability to remain grounded, present, and heart-centered while working in the energy field.
2. Conduct an intake interview with a plan toward intervention.
3. Recognize that one's previous experiences may have an impact on one's physical, emotional, mental and spiritual health.
4. Assess the status of the chakras and biofield.
5. Document the process of re-patterning and balancing a patient's biofield.
6. Apply techniques that support the health and comfort of the back.

Describe how the Healing Beyond Borders Code of Ethics, Standards of Practice and Scope of Practice relate to their developing as a Healing Touch practitioner.

Course Content #2

- Creating and supporting a healing environment
- Assessment skills and energetic patterning
- Clinical applications of energetic interventions
- Energetic Interventions: Chakra Connection, Glymphatic System Support, Hopi Technique, Spinal Flush, and Spiral Meditation
- Documentation of clinical findings

- Professional ethics and legal considerations of a developing healer
