Duluth, MN 55811**

**SATURDAY, APRIL 25, 2020
MORNING**

ADVANCED USE OF THE PENDULUM

8:15am – 12:45pm for 4.5 Contact Hours \$65
(Certificates presented at end of class)

This workshop is for those with basic pendulum assessment skills – Level/Course 1 Healing Touch

Course Goals/Objectives

- Identify assessment methods for food and supplements
- Discover energy assessment and clearing techniques for living and work spaces using a quartz crystal pendulum (bring one if you can)
- Examine pendulum use for long distance healing and surrogate healing sessions
- Discuss types of pendulums, including utilizing the practitioner's body, for various assessments

BRING: pendulums, food and supplements for testing, notebook & pen, thermal bag lunch if attending afternoon class, or (plan on eating out), water bottle, and snacks to share if desired. No refrigerator available for lunches.

**ALL CLASSES ARE DESIGNED TO MEET
MN BOARD OF NURSING
REQUIREMENTS FOR CONTINUING
EDUCATION**

**PREREQUISITE: LEVEL/COURSE 1
HEALING TOUCH**

**SATURDAY, APRIL 25, 2020
AFTERNOON**

Reaching for the Light:

New Dimensions for

Healing Touch Practice

1:15pm – 5:30pm for 4 Contact Hours \$65
(Certificates presented at end of class)

Target Audience/Class Description:
“Reaching for the Light” was developed for Healing Touch students and certified practitioners to attain a higher vibration through light meditations and assessment skills.

Course Goals/Objectives:

- Explore a Light Assessment of the body as a means to uncover cellular memory issues
- Demonstrate pain management using the Light Tube Technique
- Experience Light Breathing Meditations that allow the practitioner to live and work at higher intuitive levels
- Identify Self Protection Technique for the practitioner working at high vibrations

BRING: notebook & pen, thermal bag lunch if attending morning class, (or plan on eating out), water bottle, and snacks to share if desired. No refrigerator available for lunches.

Directions to building and classroom will be sent upon request.

Jackie Mielke, BS, CHTP, CHTI, CAHI, has been a Certified Healing Touch Practitioner since 1995, a Certified Instructor since 1997, and is a charter member of Healing Touch International. Jackie has taught in the MN Technical and Community College System in Continuing Education for Nurses and Allied Health Professionals and is a certified Allied Health Instructor by the American Medical Technologists. She has trained hospice and church volunteers and staff in the Upper Midwest since 1985 and was herself a hospice volunteer for 23 years. Jackie has held the position of Volunteer Coordinator on the Methodist Hospital Hospice Staff, Minneapolis, has served on the Complementary Medicine Committee for Park Nicollet Medical Center, the Advisory Board for Methodist Hospital Hospice, and the Advisory Board of the Center for Integrative Health and Wellness Education, Normandale Community College, Bloomington, MN.
